JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

8. No person shall be allowed to use any barber shop as a dormitory.

9. Every barber shop shall cleanse his hands thoroughly immediately after serving each customer.

10. These regulations shall be posted in a conspicuous place in every barber shop.

#### **Medical and Surgical Chests in Factories. (Reg. Bd. of H., May 6, 1914.)**

CHAP. 13. Every person, firm, or corporation operating a factory or shop in which machinery is used for any manufacturing purpose, or for any other purpose, except for elevators, or for heating or hoisting apparatus, shall at all times keep and maintain, free of expense to the employees, a full set of the following articles, the same to be kept in a suitable dust-proof case:

Adhesive plaster, 1-inch roll and 2-inch roll.

Bandages, 2 dozen assorted sizes, 1 to 4 inches.

Absorbent cotton, 1 pound.

Gauze, 1 package of 10 yards.

Elastic tourniquet, 24 inches.

Safety pins, 2 dozen.

Splint material, 4 whitewood strips 30 by 4 by  $\frac{3}{16}$ .

Scissors, straight, 3-inch blade.

Basin, enamel.

Tablets, cor. sub. and citric acid, 100.

Carron oil, 1 quart.

Aromatic spirits of ammonia, 4 ounces.

#### **Milk and Cream—Production, Care, and Sale. (Reg. Bd. of H., May 6, 1914.)**

CHAP. 14. 1. No person, firm, or corporation shall engage in the production, sale, delivery, or distribution of milk in the town of Arlington except in accordance with the provisions of Revised Laws of Massachusetts, and of acts of the legislature additional thereto or in amendment thereof, and in compliance with the following rules and regulations of the board of health of the town.

2. Every person, firm, or corporation producing, keeping, or offering for sale milk in the town of Arlington shall annually, before the 1st day of June, make written application to the inspector of milk for a license, on forms prescribed by the board of health. No person in the town of Arlington shall engage in the business of producing milk for sale or in the sale or distribution of milk without a license so to do under these regulations and such conditions as the board of health may impose; and said license shall be revoked if the licensee fails to comply with the conditions of his license or the regulations of this board. All persons having a license to sell, deliver, or distribute milk in the town of Arlington shall keep a copy of the license constantly posted in a conspicuous place on the premises, and every person using a carriage or other vehicle for the delivery of milk for the purpose of sale in the town of Arlington shall have his name, license number, and place of business legibly placed on each outer side of such carriage or vehicle.

3. No milk shall be produced, kept, sold, or offered for sale in the town of Arlington from any cow or cows that are not properly cared for or from any cow or cows within 15 days before or 5 days after parturition, or that have not within one year been examined by competent authority and certified to be free from all diseases dangerous to the public health, or that are kept in a stable that is not in a clean, healthful, and sanitary condition, and that is not open to inspection by the board of health or the milk inspector at all times.
